The background of the entire page is an aerial photograph of downtown Lynchburg, Virginia, taken during the "blue hour" of sunset. The sky is a mix of soft oranges, pinks, and blues. In the foreground, a dense cluster of multi-story brick and stone buildings is visible, with a prominent dark, modern skyscraper in the center. The city extends into the distance, with rolling hills and mountains visible on the horizon under the twilight sky.

# DOWNTOWN LYNCHBURG ASSOCIATION

**Downtown Lynchburg Association (DLA)**, a 501(c)(3) non-profit organization, works to create a strong, vibrant, and welcoming downtown through marketing initiatives, business support & attraction efforts, beautification, placemaking, cultural events, and more.

We are an accredited program of Virginia Main Street and the National Main Street Center, and a member of International Downtown Association. **For 25 years**, DLA has worked in partnership with the City of Lynchburg to sustain and develop Downtown as a vital economic, cultural, recreational, residential, and historic center for our community.

## INTERNAL GROWTH

In 2022, DLA welcomed two new staff members to expand our impact. **Anna Pretty**, our new **Director of Programs & Events**, oversees our signature events like Movies in the Park and Fireworks on the Riverfront, our placemaking projects and volunteer coordination, and will also be designing our new holiday installation and events on the Bluffwalk for 2023.

**Kelvin Whitehurst** also joined the team as our new **Business Development Coordinator**, where he assists in the retention and attraction of businesses in Downtown Lynchburg. This is a brand new position for DLA and one that we have been eagerly anticipating for many years. Kelvin will provide daily support for our existing businesses, while also working to attract and recruit new amenities to our empty storefront locations.

## STRATEGIC PLANNING

Last year, we developed the **2023 Downtown Lynchburg Strategic Plan** with the help of Progressive Urban Management Associates out of Boulder, CO. The plan will guide our organization's evolution over the next five years and beyond, and was informed by input from the DLA staff and Board of Directors, a project working group, and City leadership, along with broad community feedback, current market trends, impacts from the COVID-19 pandemic, and best practices from comparable downtown markets.

# HILL CITY EATS

**Hill City Eats: A Downtown Lynchburg Cookbook** was published in November 2022 after months of preparation and coordination with downtown business owners and chefs. This book features 35 of our fantastic downtown restaurants, showcasing the places, the food, and the people behind them. It became a celebration of Downtown Lynchburg's renaissance, and of the food that has been central to that story. Hill City Eats is a symbol of progress, born out of a deep appreciation and love for our city.

This 172-page hardcover casebound cookbook made for the perfect gift for friends and family who have an admiration for Lynchburg, selling out its first run of 1,000 copies before the end of the year. Hill City Eats has found its place being proudly displayed on household coffee tables and bookshelves, and heavily used in kitchens across the country – forever admired as a memento of this snapshot in time.

We could not have pulled this project off without our corporate sponsors, **Moore & Giles** and **Campbell Insurance**, who believed in this project and entrusted us to craft a book that promotes our city and tells the stories of these hardworking individuals. And special thanks to our individual sponsors, **Rick and Robin Loving**, two wonderful Downtown Lynchburg residents and food-lover extraordinaires. Their commitment to the city's growth and desire to see our community thrive is unmatched.

## BEHIND THE SCENES

## COOKBOOK REVENUE

We launched pre-orders for Hill City Eats in the first week of November and received over 400 orders before the books even arrived. The cookbook was sold online and at 18 Downtown Lynchburg locations. We promoted it as a gift during the holiday season, resulting in over 1,000 copies sold by the end of 2022. This success allowed us to order an additional 500 copies.

## BUSINESS FEEDBACK

"I think DLA does so much for downtown and once we started talking about it, I realized the number of restaurants and diversity of restaurants downtown and they're all highlighted. And I think people will be surprised. I mean, there's a restaurant for almost every type of food you would want for almost any budget." – **Rodney Taylor, Market At Main**

"We can't always give every single recipe out, but if we can give back a little something as a thank-you, then this is a really cool opportunity to do that. And I think it's a really cool move for our city to kind of put a stamp on who we are as Lynchburg collectively and this encourages a sense of camaraderie between businesses." – **Nicole Davidson, Batter Bar**

"It was a good opportunity for us to showcase our restaurant. But not only that, it's a great opportunity for downtown to showcase all the restaurants and businesses that are downtown that some people don't even know about. It's a great gift for Christmas. It's something great for supporting our town. There's so many positives to it." – **Timby Mukherjee, Hot & Cold Café**

# PLACEMAKING & BEAUTIFICATION

## MIDTOWN PARKING DECK MURALS

At the beginning of 2022, our team set out to find more opportunities for public art in Downtown Lynchburg. The Midtown Parking Deck proved to be the perfect location to add vibrant murals as it served as a double initiative: to bring more awareness to an underutilized public parking garage and to add color and vibrancy to an unattractive structure. From design to completion, this two-month project took 80+ volunteers and an estimated 240 hours of painting. The resulting murals have enlivened the corner of Commerce and 10th Streets, and have helped hundreds to discover a previously overlooked public parking location for their downtown visits. The Midtown Parking Deck Murals were generously sponsored by **Bank of the James**.

## CITY AUDITORIUM MURALS

The long-vacant City Auditorium building at 1112 Main Street was recently condemned. With its ground-floor entrances blocked by graffiti-covered plywood, this once-beautiful building was now negatively impacting the block. To address this blight, we partnered with the wonderfully talented local illustrator and cartoonist **Stephen Kissel** to turn this challenge into an opportunity. Stephen added a fun and playful pop of color to the plywood with friendly characters, making this block feel safer and more welcoming.

## "CREATING OUR CULTURE" MURAL

The "Creating Our Culture" mural came out of a desire to elevate Lynchburg's many artists of color, to provide exposure for their work, and to raise awareness for the wealth of talent we have in our community. A QR code is prominently displayed on the mural, which directs viewers to a webpage that features eight local artists of color, their work, and their stories. The mural aims to provide BIPOC artists in our community the opportunity to express their voices through mass media and to connect them to potential partnerships and opportunities.

Local marketing firm Blackwater Branding, headquartered at 1009 Main Street, is responsible for the project concept and creative direction of the artwork, as well as the featured website content. The mural was painted by local mural artists **Christina Davis, Twon Smith, and Jawansa Hall**. This project was sponsored by **Genworth Financial** and **Scott Insurance**, with additional support provided by the **Greater Lynchburg Community Foundation**, as well as support in part by the **Virginia Commission for the Arts**.

# CULTURAL EVENTS

## FIREWORKS ON THE RIVERFRONT

Our second annual Fireworks on the Riverfront event was a smashing success. We saw large crowds (both residents and visitors) spend their evening in Downtown Lynchburg, enjoying live performers, food from local restaurants, and of course, the fireworks display. This event allowed families and friends to experience the spectacle from a variety of vantage points throughout the city. As with all of our events, this night was an important economic driver, generating foot traffic for our retail, restaurant, and arts & culture businesses in the district.

We welcomed approximately **22,000 visitors** to Downtown Lynchburg on Friday, July 1st, including **1,400 viewers** on the Bluffwalk (42% increase from 2021) and **3,000 viewers** who joined us in Riverfront Park (47% increase from 2021). This was an overall 41% increase in foot traffic in the Downtown Lynchburg district compared to the previous Friday. This event was made possible with the generous help of our title sponsor, **BWX Technologies**, with additional support from **Gentry Locke Attorneys**, **Mustaches 4 Kids Lynchburg**, **The Water Dog**, **ABC13-WSET**, **WYYD-FM**, and the **City of Lynchburg's Office of Economic Development & Tourism**.

## MOVIES IN THE PARK

Downtown Lynchburg Association teamed up with Nomad Movies to bring Movies in the Park back to Riverfront Park in 2022. This beloved summer tradition brought in hundreds of visitors to Downtown Lynchburg during the summer movie series. After a series of polls on our social media channels, we landed on the top five most requested movies: **In The Heights**, **Back to the Future**, **Spider-Man: No Way Home**, **Tangled**, and **The Incredibles**. And although two of our originally scheduled movie dates were rescheduled due to weather, we were fortunate to be able to show all five movies.

Movies in the Park was sponsored by Innovative Wireless Technologies, Ryan Homes Lynchburg, Lynchburg Hillcats, Sigora Solar, Mustaches 4 Kids Lynchburg, The Water Dog, ABC13-WSET, iHeartMedia, and the City of Lynchburg's Office of Economic Development & Tourism.

# ADDITIONAL BUSINESS SUPPORT

## BUSINESS COMMUNICATION

DLA strives to always keep the lines of communication open between our organization and the downtown business owners – providing information that will help them to adapt and succeed in an ever-changing business climate. We do this through consistent email updates, newsletters, direct outreach via social media, and in-person visits throughout the year. This frequent communication allows us to keep a finger on the pulse of small business needs so that we can provide them with tools that will help them succeed.

## AVAILABLE PROPERTY DATABASE

Our goal when launching the Available Property Database on our website was to connect entrepreneurs and business owners to available spaces in Downtown Lynchburg. We have a strong desire to see our empty storefronts filled with flourishing small businesses, and we believe that this effort will act as a catalyst for growth.

## GIFT CARD PROGRAM

This program has continued to create new opportunities for our community to shop small and support local businesses. In 2022, we onboarded many new businesses including retail, restaurant, service, and attractions to the program, bringing the total number to 42 that accept these gift cards. This year, we saw **\$29.6K in gift card redemptions** and **\$46.3K in total gift card activations**. Since the program's launch in 2020, we've seen **\$76.6K in gift card redemptions** and **\$145.5K in total gift card activations**.

## SMALL BUSINESS MINDSET

Our **Spring Shop Crawl** proved to be an exciting way to drive foot traffic downtown while drawing exposure for our small businesses. Over 110 individuals submitted a shop crawl card and participating shoppers received a total of \$2,500 worth of Downtown Lynchburg gift cards that could be redeemed at over 40 downtown businesses.

For **Small Business Saturday (SBS)** this year, DLA focused on a variety of different ways to highlight our small businesses and drive foot traffic into their stores during the holiday season. This work included co-op marketing opportunities, physical and digital marketing materials for the businesses, a retail shop crawl, an SBS webpage highlighting promotions and deals, and small business owner highlights.

# WELCOME

## WELCOMING ENVIRONMENT

We want each and every visitor's experience to be a positive one, which is why we work to make the environment more welcoming through placemaking activities, parking signage, public art installations, holiday lights activations, and more. In addition to our new public art installments this year, DLA worked to bring color and beauty to Downtown by maintaining our current parks and takeout patios, coordinating volunteer cleanups, and advocating for more holiday lights on Main Street. A welcoming environment shows that we care about our city and allows locals and visitors to feel safe and at home.

### BLUFFWALK LIGHTS

Holiday lights can make a downtown environment feel magical during the holidays. That's why we light the Bluffwalk each winter season! This year, we increased the display to include the Bluffwalk stairs, an archway over the 12th Street entrance, and additional lighting along the walkway. Stay tuned for much, much more in 2023!

## NEW BUSINESSES

Following a consistent trend in recent years, we welcomed a variety of new businesses to Downtown Lynchburg in 2022. Over a dozen new storefront businesses (retail shops, restaurants, attractions, and services) joined our growing environment, providing more opportunities for residents and visitors to experience Downtown Lynchburg in new and exciting ways.
